

# CARE BETTER.

Kaiser Permanente was founded over 75 years ago with a mission to provide high-quality, affordable health care services – and to improve the health of the communities we serve. With our own Permanente doctors working together with our health plan in our own exclusive Kaiser Permanente facilities, it's easier for our members to get quality, coordinated care.

## Why Kaiser Permanente?

### Manage health care costs

We're a health care partner that protects the health of your business – by focusing on the health of your employees. We utilize the power of data-driven insights to deliver high-quality care for individuals and populations like your workforce, because we know a healthy and engaged workforce is a productive workforce.

### Healthcare made simple

Your employees won't have to coordinate with doctors, specialists, pharmacies, hospitals, and other caregivers because it's all connected. Our connected care model empowers us to continually find new opportunities to reduce costs, improve quality, and drive innovation.

### Unmatched convenience

Your employees can save time and trips by getting care at our 26 state-of-the-art Kaiser Permanente medical facilities. Our members can see their doctor, plus get labs, X-rays, and prescriptions all under one roof. Our telehealth options - video visits,<sup>3</sup> 24/7 phone advice, remote monitoring - keep members on top of their care from anywhere.
