

PHCS Network, Practitioner and Ancillary Only

Congratulations. Group & Pension Administrators (GPA) has joined forces with MultiPlan, Inc. to bring you the PHCS Network for practitioners and ancillaries only (i.e., no hospitals). You now have access to the largest primary PPO (Preferred Provider Organization) in the nation, which offers you:

How to Find a PHCS Network Provider

We can help you find the provider of your choice. Simply call 877-952-7427, Monday through Friday from 8 a.m. to 8 p.m. (Eastern Time) and identify yourself as a health plan participant accessing the PHCS Network for practitioners and ancillaries only (i.e., no hospitals). You may also search online at www.multiplan.com/phcspracanc or multiplan.com.

- Click on "Find a Provider" at the top of the page.
- After acknowledging you have read the disclaimer at the bottom of the screen, click on the green "Select Network" button.
- When selecting your network, choose "PHCS" and then "Practitioner Plus Ancillary."
- Enter one of the search criteria suggested in the search box to begin your search.
- If your browser settings don't allow your location to be detected, enter a zip code.

If you are currently seeing a doctor or other healthcare professional who does not participate in the PHCS Network, you may use our Online Provider Nomination System on www.multiplan.com accessed from the health plan section; click on "Information for health plan members" at the top of our home page and look for the "Nominate a Provider" link in the blue box. When you complete the form, we will contact your nominee to determine whether the provider is interested in joining. If so, we will follow up to recruit the provider.

Before Your Appointment

It is your responsibility to confirm your providers' continued participation in the PHCS Network and accessibility under your benefit plan. Please also be sure to follow any preauthorization procedures required by your plan (usually a telephone number on your ID card). In addition, to ensure proper handling of your claim, always present your current benefits ID card upon arrival at your appointment.

If You Need Assistance

If you encounter issues when scheduling appointments with PHCS Network providers, call us at 877-952-7427. If you have questions about your benefits or the status of claims, please call GPA Customer Service at 800-827-7223.

We work hard to ensure our data is accurate, but provider information changes frequently. Also, finding a provider on this site is not a guarantee of benefits coverage. **Before you receive care**, you should contact:

- The provider to verify new patient status, location and network participation.
- Your health plan to verify your benefits.
