Let's make a difference together!

Stephen Knolls School, a special education program in Montgomery County, offers a nurturing environment for students aged 3-21. With a dedicated team, they provide individualized support for students, families, and staff.

PMA's Community Service Committee is enhancing the school's curb appeal and creating sensory gardens, and we need YOUR help! Sign up to volunteer and be part of a 50+ strong team making a real impact.

We need volunteers for:

- Power washing
- Painting
- General gardening & planting
- Picking up trash
- Mulching
- Sweeping sidewalks and stairwells
- Pulling weeds & edging flower beds and more!

Let's create a beautiful, functional space for learning and growth. ☐
