PSAI 101—What Your Association Does for You (And Making the Most of It)

Grab a beverage and join us for a quick trip through the PSAI's many services and benefits. You'll meet the Board, key industry leaders, and staff members while you learn how you can leverage the things the Association provides to help your company.

12:00 pm-1:30 pm

Lunch on Your Own

1:30 pm-5:00 pm

Portable Sanitation Technology Discovery Forum

You lead a portable sanitation company, not a tech firm. Yet you need to know about the technology available to help you run your business efficiently and safely. Our Forum will give you a chance to learn about the various technologies that are available, what sorts of companies are using the different options available, get their takes on pros and cons, and benefit from their lessons learned. You'll hear from operators and vendors, see some of the products demonstrated, and have the chance to talk with colleagues about their experiences.

1:30-3:00 Routing, Inventory, and Accounting

3:00-3:30 Break

3:30-5:00 In-Truck Systems: Cameras, Telematics, and More

5:00 pm-6:30 pm

Welcome Gathering

The PSAI is an association—and "to associate" is an action verb! Join other attendees for an informal gathering where old friendships can be rekindled, and new ones can be made. Mingle with others who do what you do for a living. These are your people! Then wrap it up and head out to dinner with the group of your choice!

Interactive Workshop: Successfully Navigating the Labor Shortage-Part I

Everyone is struggling to attract and retain key personnel, especially drivers, and no one has a silver bullet. Yet, many heads are better than one. This interactive session will involve learning, sharing, and building a workforce development plan you can take back to your company, as well as a plan the PSAI can work toward at the industry level. It's not a "sit and listen" kind of morning. It's a work together to make things better session, the sort of thing an association does best. Be sure you join us—and maybe bring your HR director too!

10:30 am–10:45 am

Coffee Break

10:45 am–11:45 am

Interactive Workshop: Successfully Navigating the Labor Shortage-Part II
