Speaker Bio: James P. Scapis - CISSP, Bank of America Cyber Client Protection Team

Jim is a senior speaker with Bank of America's Cyber Client Protection Team. His responsibilities have included information security architectural solutions and enablement as well as driving cyber security awareness programs to multiple lines of business and technology teams across Bank of America, Merrill Lynch, and Private Bank.

Jim joined Bank of America in 1987 and during his 38 years career has held leadership roles across multiple lines of business, Enterprise Corporate Compliance, Global Business Continuity, and Global Technology and Operations.

Jim attended the University of Delaware where he studied Business Administration. He is a Certified Information Systems Security Professional (CISSP) and a member of ISC2, ISACA, and the Delaware Chapter of Info-Guard.
