This is YOUR Day—Let's Make it Count!

Join your fellow PSTAP members at the Capitol Building in Harrisburg on June 3, 2025 as we give local tax & accounting firms, like yours, a voice!

This is your opportunity to unite with other practitioners who share your concerns, and face the same challenges that you do. This is a key opportunity to get out in front of your elected representatives. We will provide you with a detailed "leave behind" document, outlining the issues that affect you, your business, and your clients.

Nobody's voice carries more weight with elected officials than their own constituents, and they want to hear from you. Grassroots involvement is an essential part of PSTAP's legislative program. Don't miss this opportunity, join us on June 3rd!
