Halvert Roberts Inspections

25+ years of expertise

Halvert Roberts, a certified REAC inspector for 25 years, and now, a certified NSPIRE inspector is offering a two day nuts & bolts workshop on the NSPIRE requirements that covers all the changes.

This two-day workshop will be specifically designed for Project Managers, Maintenance Personnel, Management Supervisors & Housing Inspectors.

Are you prepared to achieve the highest possible score on your NSPIRE Inspection? This training will teach you how to prepare in advance for your NSPIRE Inspection and achieve the maximum score. This training is packed with 2 full days of “Need to Know” NSPIRE Inspection protocol information designed specifically to help you comply with HUD Federal Regulations as well as raise your agencies overall property score. **Class size is limited to 50 attendees! \$550 will secure your spot today!**
