

Rural Water Association of Utah...

help is on the way!

Could *your* system use an expert operator around to help track down problems or potential savings? Especially if you're on a tight budget, you should invest in RWAU—a safety net of experienced technicians providing effective solutions. There is no charge to our member systems for our on-site assistance. Don't spend money you don't have. Call Rural Water Association of Utah.

Providing resources, training, and on-site assistance to water and wastewater systems

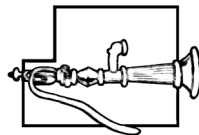

We know that providing clean, safe water requires a great deal of dedication behind the scenes. We are here to help!
