

# SYSTEM SECURITY & DEFENSE

May 30, 2019  
Bluffdale, UT

*Forum*

Join us for our Annual System Security and Defense Forum geared toward water and wastewater system's continued defense against vulnerabilities and hear from our team of experts and the resources available.

## Who should attend:

Water and Wastewater System Management, Public Works Directors and those involved in Water and Wastewater System Emergency Preparedness & Response.

## P.I.O.'s - Got one?

Why it is important to have a prepared and informative Public Information Officer.

## See presentations on:

Resilience, cybersecurity analysis, vulnerability assessments and real-life examples systems might face from natural hazards, infrastructure vulnerabilities to Operation and Maintenance.
