0.6 Water & Cross Connection CEUs

TIME

AGENDA ITEM

9-10:30 AM

DDW Updates | *Gary Rager (DDW)*

DDW Staff will explain what they want to see in a cross connection program when they perform a sanitary survey at your water system.

10:30 AM-12:00 PM

Authority Statements | *Janell Braithwaite & Kelsey Johnson (RWAU)*

Janell and Kelsey will cover the first element of your Cross Connection Control Program, authority statements. This includes city ordinances and privately owned water system by laws. Together they will review a water system's authority statement with a fine-tooth comb and offer suggestions and updates for a more effective enforcement.

12-1 PM

Lunch (on your own)

1-2:30 PM

Plumbers Code Updates | *Greg Hand (Back Flow Training Services)*

This session will review plumbing code updates from 2018 and 2021 that affect Cross Connection Controls. Some topics included will be dual source connections and chemical dispensers.

2:30-4 PM

Public Education In Your Cross Connection Program | *Kelsey Johnson (RWAU)*

The Division of Drinking Water requires Public Education as one of the five elements of every drinking water system's Cross Connection Control Program. In this session we will review easy ways to meet this requirement and explore templates and examples available for you to customize for your program.
