AGENDA ITEM

8-10 AM

Lagoon Profiling | *Dennis Gunn, RWAU*

We will be meeting at the lagoon site, and some go out on the boat and collect profile points. Dress appropriately to be on the water.

10 AM-12 PM

GIS Mapping | *Dennis Gunn, RWAU*

Dennis will be going over the data we collected. He will be showing a hands-on example of how to do this with your own system.

12 -1 PM

Lunch (*on your own*)

1-3:00 PM

GIS Mapping | *Dennis Gunn, RWAU*

Dennis will be going over the basics of GIS data and GPS systems and how these systems apply to your wastewater treatment system.
