The Structural Building Components Association of the Capital Area (SBCACap) looks forward to bringing the industry together to help a neighbor in need. We are again honored to partner with **Operation FINALLY HOME** (OFH) as we plan to build a home for another wounded veteran in our local market or donate to another SBCA chapter that is actively building a home for an OFH selected veteran.

Our industry is proud to participate in OFH projects throughout the year. SBCA's local chapters are coming together as a group to donate time, materials, money and hard work to this valuable cause. History has proven that these projects have been just as powerful for our industry as they are for the families we help.

Together we Build Communities and Make Connections and help to rebuild lives of courageous United States Veterans!
