

1 Access to Qualified Customers

SBCA is the #1 way to meet, reach, and build relationships with component manufacturer members who are decision makers in their companies.

On average, 72% of attendees at SBCA events are decision makers. AND you don't have to drive all over the country to meet them!

2 Supporting the Industry Goes a Long Way for CM Members

SBCA members are more likely to buy from trusted partners they have built relationships with through SBCA's OQMs (Open Quarterly Meetings) and BCMC (Building Component Manufacturers Conference.)

ABOUT SBCA

VISION STATEMENT

The building industry will use high quality building components provided by SBCA member companies.

MISSION STATEMENT

SBCA members will gain the knowledge and power to run successful, growing, profitable companies offering a compelling competitive advantage in the marketplace for their customers and professional growth for employees.

OUR PURPOSE...

We provide the services our membership needs to continue expanding the market share of all structural building components by promoting the common interests of those engaged in manufacturing trusses, wall panels and related structural components to ensure growth, continuity and increased professionalism, which will strengthen the structural building component manufacturing industry's influence.
