FOR OUR

Fall Shoe Drive!

Through October 31st

Fall is here, and with it comes the perfect opportunity to clean out those cluttered closets! We invite you to join our community-wide Fall Shoe Drive. Donating your gently worn, used, and new shoes can have a big impact on those in need.

Drop shoes off at the community office or clubhouse today. Help us make a difference one pair at a time!

Why Donate?

Extend Lifespan: Give your shoes a new purpose and extend their lifespan.

Reduce Waste: Your donations help reduce landfill waste and promote sustainability.

Make a Difference: Every pair donated contributes to a better community here and supports communities everywhere in need.
