for this informative session**

Coaching for Peak Performance!

1:00 pm until 3:00 pm

In this seminar, you will learn:

- ⇒ How to clearly differentiate and seek higher level coaching opportunities that provide significant payoff to the individual, team, and organization.
- ⇒ Why applying advanced skills to conduct more compelling, collaborative, and rewarding coaching discussions result in higher functioning employees.
- ⇒ How to seek and offer feedback that people can accept and act on to ensure achievement of business goals.
- ⇒ Why you should monitor and measure the continuous improvement of performance not only in yourself, but in those you coach.
