

MICROENTERPRISE HOME KITCHEN OPERATIONS PROGRAM UPDATE

Dear San Diego County Residents,

The County of San Diego, Department of Environmental Health and Quality (DEHQ) is reaching out to invite you to attend a meeting on the Microenterprise Home Kitchen Operation (MEHKO) program to share program updates and to provide an opportunity to comment on the proposed programmatic options that will be presented to the Board of Supervisors (BOS) in late 2023.

These meetings will be held **virtually** through Microsoft Teams and will include information on the current State allowances for MEHKO operations and potential ordinance language updates, followed by time for questions and answers and to gather feedback on the proposed elements.

Please submit your request August 1, 2023 by calling (858) 505-6900 or via email to FHDMEHKO@sdcounty.ca.gov.
