

ORDINANCE NUMBER O-_____ (NEW SERIES)

DATE OF FINAL PASSAGE _____

AN ORDINANCE AMENDING CHAPTER 9, ARTICLE 8 OF
THE SAN DIEGO MUNICIPAL CODE BY ADDING DIVISION
12, SECTIONS 98.1201, 98.1202, 98.1203, 98.1204, 98.1205,
98.1206, AND 98.1207, RELATING TO RESIDENTIAL
TENANT UTILITY FEES.

RECITALS

The Council of the City of San Diego (Council) adopts this Ordinance based on the following:

- A. The City of San Diego (City) is committed to safeguarding tenant rights, promoting transparency, and protecting tenants from excess charges.
- B. The costs of housing, food, and transportation in the San Diego region are significantly higher than the national average, which, along with inflationary concerns, has an impact on residents' well-being, health, and quality of life.
- C. More than 50 percent of renters are housing burdened, which means more than 30 percent of their household income is spent on housing.
- D. The California Tenant Protection Act of 2019 limits landlords from increasing tenants' rent during the prior 12-month period by more than 5 percent plus the percentage change in the cost of living, or 10 percent, whichever is lower; however, it does not address utility fees landlords may pass through to tenants.
- E. The City currently charges residents for sewer, water, and stormwater services. In November 2022, a majority of the voters approved Measure B, which amended the San Diego Municipal Code to allow the City to also charge a fee for City-provided solid waste management services, including waste and recycling collection services.

F. The City wants to ensure that if landlords pass through utility fees for City-provided utility services to tenants, the amount is no greater than the amount the landlord pays the City for the tenant's utility services and notice is provided to tenants prior to the landlord charging utility fees to the tenant.

G. The Ordinance will also provide a mechanism for tenants to request and obtain a copy of the landlord's utility or tax bill that sets forth the utility fee the landlord paid to the City.

H. The provisions of Chapter 1, Article 2 of the San Diego Municipal Code, including the enforcement of judicial and administrative remedies, shall apply to this Ordinance.

I. The Office of the City Attorney prepared this Ordinance based on the information provided by City staff, including information provided by affected third parties and verified by City staff, with the understanding that this information is complete and accurate.

ACTION ITEMS

Be it ordained by the Council of the City of San Diego:

Section 1. Chapter 9, Article 8 of the San Diego Municipal Code is amended by adding new Division 12, sections 98.1201 through 98.1207, to read as follows:

The *utility fee* the *landlord* charges the *tenant* shall be no greater than the amount the *landlord* pays for the *tenant's utility services*. Nothing in this Ordinance shall be interpreted to prohibit the *landlord* from charging the *tenant* an otherwise lawful late fee for unpaid *utility fees*.
- (b) Notwithstanding any other provision of this Division, a *landlord* that utilizes submeters pursuant to Chapter 2.5 of Title 5 of Part 4 of Division 3 of the California Civil Code is not subject to this Division with respect to *utility fees* for *utility services* covered under that Chapter. §98.1204 Written Notice

- (a) To charge *utility fees* to a *tenant* as authorized by section 98.1203, the *landlord* shall either:

- Landlords* providing written notice under subsection 98.1204(a)(2) shall do so at least 30 calendar days in advance of charging the *tenant* a *utility fee*.
- (b) If a *landlord* began charging *tenants* for *utility fees* prior to the effective date of this Division, written notice required under section 98.1204(c) shall be provided no later than 90 calendar days after this Division is in effect.
- (c) All written notices provided under section 98.1204 shall inform *tenants* of the *landlord's* obligations under sections 98.1204 and 98.1205. The notice shall include the following language:
- Equitable Fees and Right to Notice: The City of San Diego allows landlords to charge you a utility fee for water, sewer, stormwater, and trash and recycling services if (i) the utility fee is not greater than the

amount the landlord pays for your utility services, (ii) you are provided written notice that a utility fee for utility services will be charged, and (iii) upon request, the landlord provides you with a copy of the utility or tax bill and the calculations used to determine the amount of the utility fee you are charged, if that applies.

§98.1205 Documentation and Computations

- (a) Within 10 calendar days of a *tenant's* written request, a *landlord* that charges a *tenant* a *utility fee* under this Division shall provide the *tenant* with a copy of the *landlord's* utility or tax bill that sets forth the *utility fee* the *landlord* paid or shall provide a copy or link to *the tax roll billing report* if the *utility fees* are collected on the County tax rolls. A *landlord* may redact confidential or *sensitive personal information* from the utility or tax bill provided to the *tenant*.
- (b) If a *tenant* provides a written request under section 98.1205(a), and the *landlord* receives a single utility bill from the *City* for *utility services* provided to multiple *tenants*, the *landlord* shall provide the utility or tax bill and the calculations used to determine allocation of the *utility fees* to the individual *tenants* within 10 calendar days of the request.

§98.1206 Third-Party Billing Service

If a third-party service provider manages, bills, or collects *utility fees* from the *tenant* on behalf of the *landlord*, and the costs for the third-party service provider to provide this service are passed through to the *tenant*, the specific amount for this service that is charged to the *tenant* shall be separately identified and included

in the calculations provided to the *tenant* under section 98.1205. The *tenant* shall be provided invoices, receipts, or other verifiable documentation to support the third-party service provider's billing fees charged to the *landlord* and passed through to the *tenant*.

§98.1207 Enforcement and Remedies

- (a) A *tenant* claiming a violation of this Division may file an action against a *landlord* in a court of competent jurisdiction.
