

UNIVERSAL SERVICE WEBINARS

Join SHLB for this critical and timely webinar series on Universal Service funding opportunities and the future of the program.

As the FCC expands funding opportunities to better support anchor institutions, legal challenges threaten the entire universal service program. Learn how these developments impact your organization.

Schedule: Aug-Sep at 1-2 pm ET

August WED 14	Impact of the 5th Circuit's Opinion on the Future of the Universal Service Fund	September WED 11	FCC Cybersecurity Pilot Program for Schools & Libraries
August WED 28	E-Rate Hotspot Q&A Session for Schools & Libraries	September WED 25	Addressing the USF Contribution Mechanism

October
WED-FRI
2-4
AnchorNets
Conference

Finally, SHLB's annual broadband conference lets you explore these topics in person, meet with USAC officials, and more!
