HELPED PREGNANT PEOPLE ACCESS COVID-19 VACCINES

SMFM created tools to support the care of high-risk pregnant people during the pandemic. All of our COVID-19 resources were open access.

Formed a rapid response **COVID-19 Task Force** of member experts.

Wrote and revised **17 documents** with clinical recommendations.

Hosted **16 webinars**.

Issued 10 documents to **guide changing coding and billing practices**.

Created a **series of patient education resources** in English and Spanish.

Advocated on behalf of obstetric care providers and patients to Members of Congress, federal agencies, and industry for the inclusion of pregnant people in COVID-19 clinical trials, sufficient COVID-19 control measures, and new COVID-19 research funding.

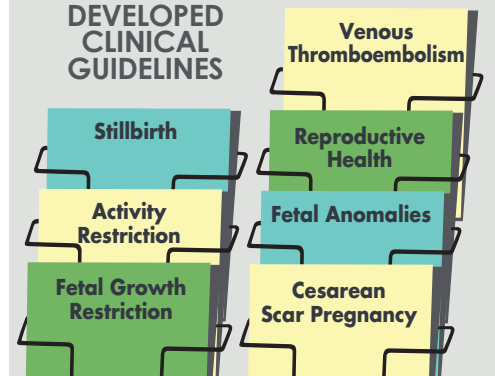

LAUNCHED A NEW WEBSITE FOR PATIENTS

[HighRiskPregnancyInfo.org](https://www.HighRiskPregnancyInfo.org)

Free Patient Handouts in English and Spanish

DEVELOPED CLINICAL GUIDELINES

CREATED WEB-BASED EDUCATION

2 new web-based training courses, offering **2 hours of CME** each:

- Sepsis During Pregnancy and the Puerperium
- Postpartum Contraception for Medically Complex Women

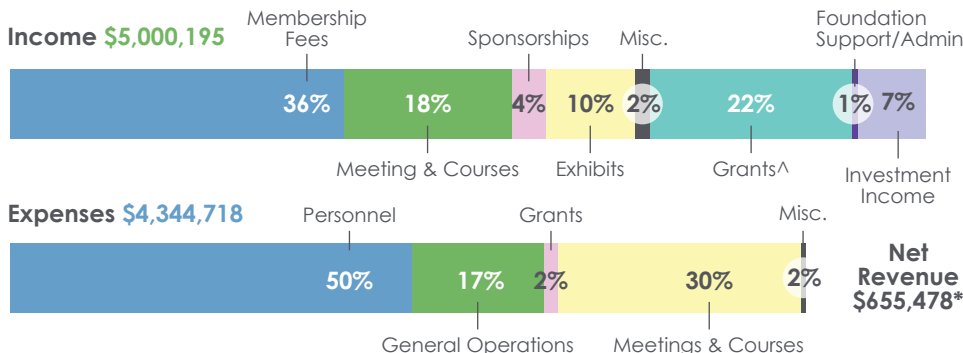

10 new podcasts

21 Fellow Lecture Webinars

Launched Question Bank #3 for SMFM's Mastery of MFM Program

ENSURED ORGANIZATIONAL SUSTAINABILITY

^ Some grant revenue received in 2020 will have offsetting expenses in 2021

*unaudited

INCREASED REACH
