

Society for  
Maternal-Fetal  
Medicine

**Vision:** SMFM is dedicated to the advancement of optimal and equitable perinatal outcomes for all people who desire or experience pregnancy.

**Mission:** As experts in maternal-fetal medicine, SMFM and its members lead the evidence-based practice of high-risk pregnancy care by providing education, promoting research, and engaging in advocacy.

Collaborate &  
Lead

- Identify and collaborate with key partners
- Multimodal communication strategies to engender trust
- Promote high quality research and evidence-based practices
- Build member connections with novel in-person and virtual strategies

Advocacy for  
Discovery &  
Innovation

- Emphasize the integral role of MFM in pregnancy research
- Research advocacy for resources, prioritization and sustainability
- Lead in the design and adoption of innovative models of care

Elevate Access &  
Member Support

- Support members throughout all career phases
- Education opportunities for all members of the patient care team
- Deliver tools that drive best practice management in pregnancy care
- Enhance engagement and leadership opportunities for members

**Our Focus:** A commitment to evidence-based patient centered care for the optimization of pregnancy-related outcomes and experiences for patients .
