

Registration Rates

Global Congress registration rates are dependent upon your SMFM membership status (member vs. non-member). For non-members, there is only one rate (see table below). Reduced rates are available for SMFM members and, just like SMFM membership rates, align with your country and career level.

Non-Member Registration Rates (Regardless of Country)

	Early-Bird Registration (Until 12 July)	Standard Registration (13 July – 31 August)	Advance Registration (1 – 13 September)	Onsite Registration (14 – 28 September)
Non-Member	\$1,285	\$1,405	\$1,525	\$1,985

Note: All prices are listed in USD and are inclusive of VAT, a 22% Value Added Tax mandated by the Italian government. To enable SMFM to conduct business in Rome as a foreign entity, SMFM is legally required to collect and pay VAT on all registrations and registration fees.

If you are an SMFM member,

please use the tables below to locate your country and click on the header text above that table (i.e. “SMFM Member, Country Tier I”). You will be redirected to a page that displays your country’s reduced SMFM member registration rate. Registration rates are exclusive of membership dues.

Regarding the country tiers, SMFM welcomes the diversity of thought, skills, knowledge, and opinions brought by an increasingly international membership pool. The International Member options have been refined to meet the evolving needs of SMFM’s growing international community. Please refer to the tiered dues assessment based on the United Nations Human Development Index and the gross national income for each country.

To add a Postgraduate Course to your Global Congress registration, please follow the steps below.

- **If you have already registered for the Global Congress and wish to add a Postgraduate Course to your registration,** please email us at globalcongress@smfm.org and let us know which course you'd like to add. From there, we will register you and follow up with payment instructions.
- **If you have not already registered for the Global Congress,** you will be able to add a Postgraduate Course to your registration from the outset, as long as space is still available within the course you want.

Please note that because all Postgraduate Courses happen on the same date and time, you are only able to choose one. Postgraduate Courses will not be recorded but slides and materials provided by course faculty will be available to course registrants 24-hours after the completion of the course.

Postgraduate Course Pricing:

- **SMFM Member Rate** (Regular, Adjunct, Affiliate, Associate, Emeritus): \$735.00 USD
- **SMFM Member Rate** (Resident, Fellow, Practice Professional, Student): \$370.00 USD
- **Nonmember Rate:** \$980.00 USD
