## Fellowship Directory

The screenshot shows the top section of the Fellowship Directory website. At the top, there is a light blue banner with an 'ADMIN ALERT' icon and text. Below this, there are two informational messages: one with an 'i' icon stating 'Content regions on this page are the default' and another with a '+g' icon stating 'Link users directly to these search results'. A search bar is located below these messages, containing the text 'Search by keyword' and a 'Filters' button with a right-pointing arrow. At the bottom of the screenshot, two identical icons of a classical building with columns are displayed side-by-side.
