NEW ICD-10-CM CODES FOR 2019

There are several new ICD-10-CM codes that have been issued that will affect Maternal Fetal Medicine providers. These codes become effective for dates of service on or after 10/1/2018. Previous codes should not be used for dates of service after 10/1/2018.

Previous Code	New Code(s)	Comments
E78.4 Other hyperlipidemia	E78.41 Elevated lipoprotein(a) E78.49 Other hyperlipidemia	
F53 Puerperal psychosis	F53.0 Postpartum depression F53.1 Puerperal psychosis	Previously, there was no code for postpartum depression. O90.6 continues to be available to report postpartum mood disturbance.
	O30.13- Triplet pregnancy, trichorionic/triamniotic	Previously, there was no way to report circumstances in high order multiple gestations when the number of chorions and amnions were the same as the number of fetuses. For these codes, the 6th character represents the trimester in which service is provided.
	O30.23- Quadruplet pregnancy, quadrachorionic/quadra-amniotic,	
	O30.83- Other specified multiple gestation, number of chorions and amnions are both equal to the number of fetuses	
O86.0 Infection of obstetric surgical wound	O86.00 Infection of obstetric surgical wound, unspecified Infection of obstetric surgical wound… O86.01 superficial incisional site O86.02 deep incisional site O86.03 organ and space site O86.04 Sepsis following an obstetrical procedure O86.09 Other surgical site	More specificity is required to define the exact location(s) of any obstetric wound infection
	Z13.31 Encounter for screening for maternal depression	This is a new code found in a new section created to report particular screening services.
	Z20.821 Contact with and (suspected) exposure to Zika virus	Previously, non-specific exposure codes had to be used when there was known or suspected exposure to the Zika virus.
	Z28.83 Immunization not carried out due to unavailability of vaccine	This circumstance could not be reported previously.

A complete list of all ICD-10-CM changes for 2019 is available on the CMS website at https://www.cms.gov/Medicare/Coding/ICD10/2019-ICD-10-CM.html
