

Curriculum Vitae

Luciano Giromini, PhD

Personal Information

Name	Luciano Giromini
Date of birth	07/31/1979
Nationality	Italian
Email	luciano.giromini@unito.it
Phone	(+39) 011 670 3060

Career Highlights

- **Editor-in-Chief**, *Psychological Injury and Law* (IF $\approx$ 3)
- **Co-Author** of the Inventory of Problems (IOP-29 and IOP-M) tests
- **Co-Author** of the Rorschach Performance Assessment System (R-PAS)
- **Full Professor** at University of Turin – Italy, Department of Psychology
- **Core Faculty Member**, Ph.D. program in Psychopathology and Mental Functioning: Research Methods in Forensic Sciences, Sapienza University of Rome – Italy
- **Coordinator** of the “Evidence-based Psychological Assessment (EPA)” research group at University of Turin – Italy
- **Coordinator** of a 2nd level master in psychological assessment for the Humanitas University Consortium – Italy

Professional Service and Involvement with SPA

- **Member**, Society for Personality Assessment (SPA), 2009–present
- **Member**, SPA COVID-19 Task Force to Support Personality Assessment
- **Consulting Editor**, Journal of Personality Assessment
- **Recipient**, Mary S. Cerney Award, Society for Personality Assessment, 2012
- **Recipient**, Student Dissertation Grant, Society for Personality Assessment, 2010
- **Regular contributor to SPA conventions**, for more than ten years, including roles as symposium chair, symposium presenter, and workshop presenter on Rorschach-based assessment, symptom validity assessment, multimethod assessment, and cross-cultural/diversity-related assessment topics

Editorial Boards

- **Editor-in-Chief**, *Psychological Injury and Law*
- **Consulting Editor**, *Journal of Personality Assessment*
- **Consulting Editor**, *Psychological Assessment*
- **Associate Editor**, *Rorschachiana*
- **Ad Hoc Reviewer** for many journals, including *Applied Neuropsychology: Adult*, *Psychological Injury and Law*, *Trends in Psychiatry and Psychotherapy*, *Journal of Child and Family Studies*, *Cognitive, Affective, & Behavioral Neuroscience*, *Rorschachiana*, *Applied Psychology Bulletin*.

Education

- **2012**: Ph.D. in Social, Cognitive and Clinical Psychology, University of Milan–Bicocca (Italy). Thesis: Human Movement Responses to the Rorschach Test and Embodied Simulation: An Interdisciplinary Investigation.
- **2009 – 2014**: Research fellow at Alliant International University, California School of Professional Psychology, San Diego, California.
- **2007 – 2009**: Teacher Assistant (Italian equivalent) in Psychometrics at University of Milan–Bicocca (Italy)
- **2007 – 2009**: Teacher Assistant (Italian equivalent) in Multivariate Data Analysis at University of Milan–Bicocca (Italy)
- **2006 – 2009**: Teacher Assistant (Italian equivalent) in Statistics for Research in Social Sciences at University of Milan–Bicocca (Italy)
- **2005 – 2006**: Teacher Assistant (Italian equivalent) in Statistics and Market Research at University of Milan–Bicocca (Italy)
- **2004 – 2005**: Professional courses on administration and interpretation of Rorschach test (Exner method, level 1&2 plus specialization on children assessment), WAIS-R, and Blacky Test, A.R.P. Milan (Italy, private clinic).
- **2004**: Master degree (Italian equivalent) in Psychology (summa cum laude), University of Milan–Bicocca (Italy). Thesis: AD/HD in adolescents.

Teaching Experience

- **2015-present**: Professor of ***Rorschach – Evidence Based*** at the undergraduate program of the University of Turin – Italy, Department of Psychology.
- **2020**: Professor of ***Research Design*** at the undergraduate program of the University of Turin – Italy, Department of Psychology

- **2014-2015:** Professor of ***Methods and Statistics for Research in Psychology*** at the Ph.D. program in Psychological, Anthropological and Educational Sciences, University of Turin – Italy.
- **2014-2015:** Professor of ***Assessment of Psychopathology*** at the undergraduate program of the University of Turin – Italy, Department of Psychology.
- **2013 – 2014:** Professor of ***Introduction to Statistics (PSY2002)*** at the Undergraduate Department of the Alliant International University – San Diego.
- **2013 – 2014:** Professor of ***Introduction to Psychology (PSY1101)*** at the Undergraduate Department of the Alliant International University – San Diego.
- **2010 – 2014:** ***Statistics Tutor*** for the Academic Support Center (ACS) of the Alliant International University of San Diego, California.
- **2008 – 2010:** Instructor for the Online University of Milan–Bicocca, Faculty of Psychology. Courses: 1) ***Measures in Psychology***; 2) ***Multivariate Data Analysis***
- **2008:** Instructor for the PhD program in Educational Sciences, University of Turin (Italy). Course: ***Statistics and Psychometrics in Psychology*** (30 hours)
- **2007 – 2009:** Integrative Activities Instructor (consisting of teaching how to solve exercises) for the University of Milan–Bicocca (Italy), Faculty of Psychology. Courses: 1) ***Multivariate Data Analysis***; 2) ***Psychometrics***
- **2006 – 2009:** Integrative Activities Instructor (consisting of teaching how to solve exercises) for the University of Milan–Bicocca (Italy), Faculty of Psychology. Course: ***Statistics for Research in Social Sciences***
- **2005 – 2006:** Integrative Activities Instructor (consisting of teaching how to solve exercises), for the I.U.L.M. University of Milan (Italy), Faculty of Economics. Course: ***Statistics for the Evaluation of Services***.

Selected Invited Seminars, Workshops and Lectures

- **2026:** ***Integrating and Combining Different Test Results to Distinguish Authentic/Credible From Feigned/Noncredible Clinical & Forensic Presentations***, workshop offered at the annual meeting of the Society for Personality Assessment, Toronto ON, Canada
- **2026:** ***Neuropsychological Rorschach Assessment: Empirical Research and Clinical Applications***, workshop offered at the annual meeting of the Society for Personality Assessment, Toronto ON, Canada
- **2025:** ***Integrating the Results of the IOP-29 & IOP-M with those of Other SVTs & PVTs to Distinguish Credible from Noncredible Clinical & Forensic Presentations***, workshop offered at the annual meeting of the Society for Personality Assessment, Denver CO, US
- **2024:** ***Differentiating Authentic/Credible and Feigned/Non-Credible Symptom Presentations: An Introduction to the Inventory of Problems-29 (IOP-29) and its Memory Module (IOP-M)***, invited seminar, South Florida State Hospital, Miami FL, US
- **2024:** ***Integrating and Combining Different Test Results to Distinguish Authentic/Credible from Feigned/Non-Credible Clinical and Forensic***

Presentations, workshop offered at the annual meeting of the Society for Personality Assessment, San Diego CA, US

- **2024: *Using the Rorschach with Individuals from Diverse Cultural Backgrounds***, workshop offered at the annual meeting of the Society for Personality Assessment, San Diego CA, US
- **2023: *Assessing the Credibility of Self-Reported Psychological Problems: New Articles, New Issues***, invited keynote presentation, Chamber of Clinical Psychologists, Maribor, Slovenia EU
- **2019: *Using the Inventory of Problems – 29 (IOP-29) to Evaluate the Credibility of Cognitive and Psychiatric Problems***, workshop offered at Alliant International University, San Diego CA, US
- **2018: *Deepening the understanding of Rorschach responses through EEG, fMRI, and other psychophysiological techniques***, seminar upon invitation, San Diego, California, US
- **2018: *Using the Inventory of Problems – 29 (IOP-29) to Discriminate Feigned from Bona Fide Mental or Cognitive Disorders***, workshop offered at annual convention of Society for Personality Assessment, Washington DC, US
- **2017: *Deepening the understanding of Rorschach responses through EEG, fMRI, and other psychophysiological techniques***, seminar upon invitation, Florianopolis, Brazil
- **2017: *Cross-cultural adaptations and applications of the Inventory of Problems (IOP)***, research contribution upon invitation, Basel, Switzerland
- **2017: *Introducing R-PAS***, 3-day workshop on R-PAS administration, coding, and interpretation, Milan, Italy
- **2016: *On the scientific status of the Rorschach***, seminar upon invitation, Guildford, UK
- **2015: *Developing scoring and administration proficiency for R-PAS research and practice***, 1.5-day workshop, Milazzo (Messina), Italy
- **2011: *Human Movement and Mirror Neurons***, seminar upon invitation, San Diego, California, US
- **2010: *Neurological Correlates of the Rorschach Test's Response Process: Human Movement and Mirror Neurons***, seminar upon invitation, San Diego, California, US

Awards and Honors

- **2020: *Best 2019 R-PAS Article***, issued by R-PAS (www.r-pas.org), article title “Complexity and cognitive engagement in the Rorschach task: An eye-tracking study,” *Journal of Personality Assessment*, [Epub ahead of print]
- **2019: *Best 2018 R-PAS Article***, issued by R-PAS (www.r-pas.org), article title “Effects of repetitive transcranial magnetic stimulation (rTMS) on attribution of movement to ambiguous stimuli and EEG mu suppression,” *Brain Research*, 1680, 69-76.

- **2017: Co-authorship of the Inventory of Problems (IOP-29)©**
- **2013: US Visa as Alien of Extraordinary Ability in Personality Assessment**, issued by the U.S. Citizenship and Immigration Services for extraordinary achievement in the field of sciences
- **2013: Best 2012 Ph.D. Dissertation Prize (“AIP – Ordine degli Psicologi”)**, granted by the two major Italian associations in the field of psychology, for the best Italian Ph.D. dissertation in Applied Psychology
- **2012: Mary Cerney Award 2012**, Society for Personality Assessment (SPA), for the best paper published by a student (SPA affiliate) during the previous year
- **2010: Student Dissertation Grant**, Society for Personality Assessment (SPA), Grant given to the best dissertation proposals of SPA affiliate students
- **2010: Best Poster** at the “Congresso Nazionale della Società per la Ricerca in Psicoterapia”, 1-3 October, Perugia, Italy.

Grants & Scholarships

- **2017: CRT Grant**, consisting of 30,000 Euros, issued by an Italian foundation (CRT) to conduct a research project focused on multi-cultural assessment (with MMPI)
- **2014: International Psychoanalytic Association (IPA) Grant**, issued by the IPA for a research project titled “Maternal Skills and Overweight Risk: a Longitudinal Study on the Reflective Functioning Role.”
- **2013: Postdoctoral Research Fellowship**, Alliant International University – San Diego, California.
- **2012: Postdoctoral Research Fellowship**, University of Milano-Bicocca, Milan, Italy.
- **2008: “Dote Ricercatore” Grant** provided by the “Fondo Sociale Europeo” (European funds) and “Regione Lombardia” (Lombardia, region of Italy) for researching on “Eating Disorder Treatment”.
- **2007: “Comune di Milano” Scholarship** granted by the “Comune di Milano” for researching on AD/HD Diagnosis in Schools of Milan.
