

Call for Nominations for Editor of *Personality Disorders: Theory, Research, and Treatment*

The Publications and Communications (P&C) Board of the American Psychological Association has opened nominations for the Editorship of ***Personality Disorders: Theory, Research, and Treatment*** (*PD:TRT*) for the years 2028-2033. Joshua D. Miller, Ph.D., is the incumbent editor.

PD:TRT publishes a wide range of cutting-edge research on personality disorders and related psychopathology from a categorical and/or dimensional perspective including laboratory and treatment outcome studies, as well as integrative conceptual manuscripts and practice reviews that bridge science and practice.

Candidates should be available to start receiving manuscripts in early 2027 to prepare for issues published in 2028. Please note that the P&C Board encourages participation by members of underrepresented groups in the publication process and would particularly welcome such nominees. Self-nominations are also encouraged.

Michael C. Roberts, Ph.D., ABPP, will chair the search.
