Call for workshops

The Danish Rorschach Society cordially invites psychologists from around the world to participate in the XXIV Congress of the International Society of the Rorschach and Projective Methods. Per tradition we would like to offer the Congress participants the opportunity to choose from a variety of pre-Congress workshops before the Congress begins. We therefore call upon experts from the international Rorschach community to submit suggestions for possible workshops. Topics are optional, albeit restricted to the use of the Rorschach test or other projective methods. The Organizing Committee will evaluate workshop proposals for their relevance and interest to ISR members as well as their financial feasibility. All workshops require a minimum of 10 participants to be held. The workshops will take place on July 8th 2024, the day before the start of the Congress. We welcome both full-day and half-day workshops according to the following schedule:

08.30: Welcome desk opens

09.00: Morning session begins

12.30: Lunch break

13.30: Afternoon session begins

17.00: End of workshop.

Half-day workshops are only scheduled for the morning session. Each presenter of a full-day workshop will receive a fee of 1.000 euros, whereas presenters for a half-day workshop will receive 500 euros, regardless of the number of presenters. Proposals for workshops can be submitted via mail: info@rorschachdanmark.dk Deadline for workshop submissions is June 1st 2023. A proposal for a workshop should include a thorough description of the proposed topic in approximately 500 words.

The Organizing Committee will decide which workshops will be given on July 1st 2023. We will inform Presenters and Congress participants at that time and the workshops will hereafter be made public on the conference website www.rorschachcph2024.dk.

Please note the early deadline for signing up for workshops, which is no later than **35 days before** the workshop in order for the specific workshop to proceed.

Best regards from the organizing committee
