CURRENT POSITIONS

Staff Psychologist - Assessment & Testing Coordinator **2019 – present**

William James College Juvenile Court Clinic Operations (WJC JCCO)
Newton, MA, USA
Clinic Director: Pooja Khialani, Psy.D.

- Providing court-ordered forensic evaluations and other services for juveniles and their families before the Juvenile Court. Evaluations include Child Requiring Assistance (CRA), Competence to Stand Trial (CST), Criminal Responsibility (CR), Care and Protection (C&P), Termination of Parental Rights (TPR), Juvenile Delinquency, Youthful Offender (YO) and sexual offender evaluations.
- Overseeing the psychological testing library for the 4th and 5th largest counties in Massachusetts, USA
- Coordinating testing case assignments for post-doctoral, intern, and practicum trainees and staff psychologists. Conducting assessments for emergency commitments for involuntary substance abuse treatment or inpatient psychiatric care.
- Participating in quarterly Juveniles Charges with Sexual Offenses workgroup.

- Providing presentations on psychological testing, use of the Rorschach Performance Assessment System (R-PAS) in forensic settings, and trauma evaluations with diverse populations

Founder & Chief Executive Officer, Clinical Psychologist (*Private Practice*)

2019 – present

Cup of Tea Counselling & Consulting, LLC, Needham Heights, MA, USA

- Providing individual therapy to individuals from systematically oppressed backgrounds across the lifespan (ages 8+).
- Engaging in private forensic assessments: CRA, competence to proceed, CST, CR, sexual risk assessments (youth only). Evaluations also include general mental health and diagnostic differentials. Specialty focuses on neurodivergence, racial trauma, and complex trauma.
- Conducting psychological testing evaluating children, adolescents, and adults for cognitive, academic, and emotional functioning.
- Clinical litigation and consultation: Evaluating the work of other psychologists, providing document review, and relevant research review and trial consultation for attorneys.
- Trainings for judges, attorneys, and probation
- Engaging in individual and organizational consulting and coaching in equity and inclusion.

PAST POSITIONS

Associate Professor

2021 – 2023

Fielding Graduate University, Santa Barbara, CA, USA

Projective Personality Assessment

- Taught graduate students in the Clinical Psychology program. PSY-710-D1: Intro to the Rorschach Coding and PSY-710-D2: Advanced Coding and Administration. Focus was on teaching the R-PAS.
- Courses were conducted in a hybrid format with the in-person component instructed by April Fallon, Ph.D.
- Students engaged in coding practice protocols during class and for homework, multiple coding, and interpretation exams, completed 5+ valid administrations that were video-recorded and individually reviewed, completed a pass-fail administration exercise, and completed a report writing and feedback exercise.
- Students had to obtain a minimum of 80% score on coding exams to advance in both courses.

Child, Adolescent, Adult and Family Therapist

2017 – 2018

Commonwealth Psychology Associates, LLC, Newton, MA, USA

Supervisor: Marielena Tecce, Psy.D.

Assessment Supervisor: Kristen Ihde, Psy.D.

- Maintained a caseload of twenty to twenty-seven clients, ages 8 to 59. Clinical issues included trauma, developmental disabilities and delays, family stressors, distress intolerance, major depression, and panic disorders.
- Regularly engaged in collateral contact with schools and external health providers.
- Provided once monthly psychological assessments informed by the Therapeutic Assessment model.
- Developed dynamic programming, procedure, and education for Biofeedback service delivery.
- Delivered case presentations with behavioral medicine, psychological assessment and child and adolescent teams.
- Participated in Autism Diagnostic Observation Schedule (ADOS-2) training.

Outpatient Therapist

2015 – 2016

Child Guidance Resource Centers, Havertown, PA, USA

Supervisor: Allison Pickett, LPC

Outpatient Services

- Provided psychotherapy for outpatient psychotherapy patients ages 5 to 17 years.
- Treatment modalities included ACT and CBT for teen anxiety, psychoanalytically informed play therapy, Biofeedback, psychodynamic psychotherapy, and trauma-informed care.
- Conducted individual, family, and parent sessions and coordinated with schools, higher levels of care, and community resources.

One-to-One Counselor, Emotional Support Camp

Summer 2013

Child Guidance Resource Centers, Pottstown, PA

Supervisor: Grace Weinlein

- Cared for camper who needed individualized attention and support in emotional-regulation and expression, social skills, and group integration.
- Implemented a Positive Behavior Support plan yielding a 90% decrease in physically assaultive behaviors.

Extended School Year Assistant Teacher, Autistic Support Camp

Summer 2013

Child Guidance Resource Centers, Philadelphia, PA

Supervisor: Kendra Jacobson

- Provided services to students on the autism spectrum referred to attend Extended School Year (ESY) at camp.
- Assisted the teacher with classroom instruction and lesson planning. Modeled appropriate social interactions for students utilizing Michelle Garcia's Winner's Social Thinking framework.

CLINICAL TRAINING EXPERIENCE

APA Approved Post-Doctoral Fellow in Clinical Psychology
Cambridge Health Alliance/Harvard Medical School, Cambridge, MA, USA

2016 – 2017

Rotation 1: Child and Adolescent Acute Services

Supervisor(s): Christopher Pagano, Ph.D.

Secondary Supervisor(s): John Wechter Ed.D.; Jeanne Heiple, M.D.

Adolescent Assessment Unit (AAU)

- The AAU is a secure inpatient unit serving adolescents ages 12 to 18 located at Cambridge Hospital.
- Treatment engaged adolescents from Psychodynamic, CBT, and family systems approaches with focus on trauma-informed care.
- Ran weekly DBT and mindfulness groups, engaged in individual and family sessions, completed 3 full psychological assessments informed by a Therapeutic Assessment frame with reports and feedback.
- Participated in weekly Interviewing, Professional Development, Psychological Assessment, and Family Therapy seminars.
- Engaged in daily multidisciplinary case rounds with Psychiatry, Psychology, Nursing, Social Work, Case Management Occupational Therapy, and insurance utilization.

Child Assessment Unit (CAU)

- The CAU is a secure inpatient unit serving children ages 3 to 12 located at Cambridge Hospital. Stronger emphasis during this rotation on family and systems work.
- Provided as-needed coverage for therapeutic and safety groups.
- Completed 4 full psychological assessments with emphasis on utilizing the Therapeutic Assessment framework with reports and feedback.
- Continued participation in weekly seminars and daily multidisciplinary rounds.
- Coordinated ongoing care and aftercare with the Department of Mental Health, Department of Children & Families, and outpatient providers.

Rotation 2: Developmental Disabilities Services/Pediatric Neuropsychology

Primary Supervisor: Laura Gaugh, Psy.D.

Secondary Supervisor(s): John Wechter Ed.D.; Jeanne Heiple, M.D.

- This rotation took place in the Child Outpatient Department at Cambridge Health Alliance with a wide range of children ages 0 and up presenting due to developmental delays, autism concerns, and school performance difficulties.
- Engaged in tutorial style supervision addressing assessment, developmental milestones, neurobiology of development, autism

spectrum diagnoses, and language development.

- Participated in observations of evaluations with transition to co-administration and independent administration of developmental evaluations with reports and feedback.

APA Approved Doctoral Internship in Clinical Psychology

2015 – 2016

Rotation at: Widener University College Counseling, Chester, PA

Supervisor(s): Andrea Isaacson, Ph.D.; Beth Howlett, Ph.D.; Jenn Horowitz, Ph.D.
Joseph Schaller, PsyD

- Maintained a caseload of fifteen to seventeen college aged psychotherapy patients.
- Treatment modalities included Biofeedback, Psychodynamic Psychotherapy, ACT, Behavioral Activation for Depression, Mindfulness Based Schema focused therapy and trauma-informed care.
- Participated in rounds with consulting psychiatrist, weekly case meetings, weekly group supervision, and weekly individual supervision.

APA Approved Doctoral Internship in Clinical Psychology

2014 – 2015

Rotation at: Victim Services Center of Montgomery County, Inc., Norristown, PA

Supervisor(s): Mary Deitch, JD, PsyD; Erin Slight, LSW; Robin Ward, PsyD

Victim Advocacy and Crisis Support

- Provided psychotherapy for children, adolescents, and adults with a rotating caseload of eight patients ages 5 to 42.
- Managed crisis hotline calls, hotline-walk-ins, and hospital accompaniments for rape crisis.
- Engaged in crisis counselling for survivors of rape, sexual assault, and victims of other crimes. Developed curriculum for and ran an 8-week Adult Survivors of Rape and Sexual Abuse support group.

Master's Candidate, Practicum in Clinical Psychology

2013 – 2014

Rotation at: MidAtlantic Behavioral Health, Wilmington & Newark, DE

Supervisor(s): Julie Keaveney PsyD., ABPP; Traci Bolander, PsyD

Psychological Assessment Services

- Administered assessments for ADHD, testing accommodations, traumatic brain injury, disability status, personality assessment, social/emotional functioning, court ordered and legal issues, autism spectrum disorders, diagnostic differentials, and treatment recommendations.
- Completed 28 full assessment batteries and reports. Trained in, administered, and interpreted neuropsychological instruments.

Master's Candidate, Practicum in Clinical Psychology

2012 - 2013

Rotation at: Child Guidance Resource Centers (CGRC), Havertown, PA

Supervisor: Brad Richardson, PsyD

- Conducted individual and family psychotherapy sessions.
- Provided ongoing consultation with school social workers, guidance counsellors, and teachers.
- Coordinated referrals and discharges for higher level of care services such as wrap-around, mobile therapy, and Family First (intensive home treatment with two therapists).
- Engaged in adjunctive treatment with CGRC's truancy program.
- Participated in twice weekly supervision meetings.
- Provided assessment services for CGRC's therapeutic school.
- Three total assessments and reports completed.

Master's Candidate, Practicum in Clinical Psychology

2011 - 2012

Rotation at: Delaware Psychiatric Center, New Castle, DE

Supervisor(s): Brian Simon, PsyD; Charlotte Selig, PsyD; Doug Schultz, PsyD

State Inpatient Psychiatric Hospital (4 rotations)

Jane E. Mitchell Building (Forensic Unit):

- Observed competency evaluations and competency restoration groups. Participated in questioning for competency evaluations and lessons on prosecutorial misconduct.
- Interviewed patients for recovery plan progress and updates for the court. Conducted interviews and co-wrote forensic reports under supervision for the Delaware State Court System.

Sussex 1 (Mood Disorders):

- Conducted individual psychotherapy with a Bipolar I diagnosed patient and helped to facilitate discharge with the treatment team for the patient. Attended and provided feedback in twice-weekly treatment team meetings.

Kent 2 & 3 (Admissions Units):

- Administered structured and semi-structured intake assessments. Wrote short reports on presenting problems, previous treatment, legal history, and diagnosis.
- Gave risk assessments for suicidal and homicidal ideation, violence risk, and hallucinations and delusions.

Sussex 1 (Aggressive Male Unit):

- Conducted individual psychotherapy with male sex offenders who also had mental health diagnoses.
- Attended twice weekly treatment team meetings.
