DAY TRIP:

CAPE CORAL

Discover the natural beauty of Cape Coral! Located on the Gulf Coast of Florida, Cape Coral offers a wide range of outdoor activities, scenic parks, and waterfront views. Perfect for nature enthusiasts, outdoor adventurers, and anyone looking to relax by the water.

Begin your day trip with at **Four Mile Cove Ecological Preserve**, a hidden gem in Cape Coral. Explore the preserved mangrove forest on a self-guided walk along the boardwalk. Keep an eye out for local wildlife, including various bird species and maybe even manatees in the river.

Rent a kayak or paddleboard from a local outfitter and venture out onto the calm waters of the Caloosahatchee River or one of Cape Coral's numerous canals. Enjoy the serene surroundings and the chance to spot dolphins, fish, and other marine life.

Head to **Cape Harbour Marina** for lunch at one of the waterfront restaurants like **Rumrunners** or **Fathoms Restaurant & Bar**. Savor fresh seafood and enjoy beautiful views of the marina. Should you have a sweet tooth, head to **Seaside Cakes and Cookies** a taste of paradise!

Wrap up your day by heading downtown to explore the local shops, art galleries, and boutiques. You might find unique souvenirs or gifts. After all that shopping you've more than likely worked up an appetite for dinner. Head to a waterfront dinner at a restaurant like **Marker 92 Waterfront Bar & Bistro** or **The Boathouse Tiki Bar & Grill**. Enjoy a delicious meal while watching the sunset over the water.

Did you Know?

Cape Coral has more canals than the Italian city of Venice. There are more than 400 miles of canals in Cape Coral, whereas the Italian city only has 26 miles of waterways to explore.

This solar-powered community with an 870-acre solar farm, sits on over 67,000 acres (about the area of Athens, Georgia) of preserved land offering bikeways, walking trails and greenways to its residents and guests.

Discover the natural heart of Florida on a narrated 90-minute eco-tour. **Babcock Ranch Eco-Tours** offers a variety of guided tours that will get you up close & personal with the palmetto prairie that attracted ranchers to South Florida. After enjoying your tour, be sure to explore **Slater's Goods & Provisions**, a charming market and cafe the boasts a delicious farm-to-table menu. If you're craving caffeine or something sweet, **Cup a Joe at Curry Creek Outfitters**, and **Square Scoops**.

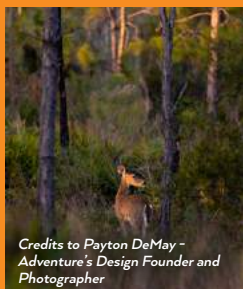

Founder's Square is the social hub of Babcock Ranch. It's a central gathering place for neighbors, guests, and the site of community events, music, and celebrations for all ages. Located near the edge of Lake Babcock, it is the northern end of a downtown district that will stretch southward as the town grows. After an eventful day exploring the ranch's treasures, why not end your visit with a romantic date night at the **Lake House Kitchen + Bar**.

Nestled along the Paradise Coast of Southwest Florida, Marco Island is a picturesque destination where the pristine Gulf of Mexico's glistening waters meet our powdery sugar-sand beaches. Along this exquisite coastline, you'll discover an array of distinctive coastal restaurants, charming bars, and enticing shops filled with treasures waiting to be found. Enjoy a unique experience in shallow waters safe for perfect snorkeling with dozens of different species including fish, fiddler crab, and even sea turtles.

Take a short kayak or paddleboard ride from **South Marco Beach** to **Sand Dollar Island**. It's a hidden gem where you can find sand dollars and other marine life. Remember to respect the environment and only take-home empty shells. If you're traveling with family or want a break from the beach, visit **Mackle Park**. This recreational area features playgrounds, picnic spots, and a beautiful lake with paddleboats. It's a great place to relax and unwind.

Just south, you'll find **Blind Pass Park**, a unique mile-long secluded beach featuring white coarse sand as well as a fantastic place for shelling and finding sharks' teeth. The park is home to a beautiful mangrove trail, 3,000 feet of quiet beachfront as well as a fishing dock and canoe launch.

In addition to the Blind Pass Park, you'll find **Manasota Key Beach**, and **Stump Pass Beach State Park**. If you're seeking more adventure, head to **Englewood Beach** where the fun is endless!

DAYTRIP: THE ISLANDS

Over the past year, our dedicated local officials, resilient communities and determined businesses have come together to rebuild and revitalize the island community in the wake of the devastating Hurricane Ian. As businesses steadily regain their footage, the islands are reemerging as the tropical havens you fondly recall. The barrier islands of Southwest Florida have been forever changed, remaining strong with stories to tell.

Upon your arrival at the islands, make your way to the renowned shell-strewn beaches. **Sanibel Island** in particular, is celebrated for its world-class shelling. Spend some time collecting unique seashells and taking in the serene coastal beauty.

If you're on the go and looking for a quick pit stop to grab a bite to eat, check out **Gramma Dot's Seaside Food Truck**, a Breezy eatery offering a familiar menu of sandwiches & salads in an open-air setting. Otherwise, kick back and enjoy the sea breeze at **Doc Ford's**, home of the island mojito or **The Mucky Duck** where the sun sets nightly, and the beer is always cold.

Looking for a great market? Shop locally at the **Sanibel Island Farmers Market** where you can find an abundance of fresh, locally sourced goods. This destination isn't just a place to shop; it's a destination where locals and visitors come together to celebrate the essence of Southwest Florida's unique charm. Due to Hurricane Ian, the market is currently set up at temporary locations so be sure to check their Facebook page prior to your outing.

The Village Shops provide Sanibel shoppers with the opportunity to shop, be pampered, and enjoy lunch, brunch, or dinner. With indoor and outdoor seating, heighten your taste buds in this cozy, relaxed atmosphere. Conclude your day with a sunset cruise offered by **Captiva Cruises**. This serene and picturesque experience will leave you in awe as you watch the sun dip below the horizon.

Did you Know?

Sanibel's beaches have more shell varieties than anywhere in North America. With more than 400 species of shells, Sanibel has been long known as a world class shelling destination.

Book your private boat tour!
