The Triangle Apartment Association (TAA) has partnered with the Resident Relief Foundation (RRF) to provide emergency rental assistance for renters facing eviction. RRF is a non-profit specializing in providing emergency rental assistance. Earlier this year they launched a \$10 million fundraising drive to focus on assisting renters around the country facing financial hardship due to COVID-19.

THE RESIDENT RELIEF FOUNDATION is driven by a single goal: to help responsible residents stay in their apartments during an unexpected financial emergency.

Whether it's a temporary work/job interruption, a car accident, a medical emergency or something similar, sometimes a person just needs a little help to get through a short dip in financial stability to keep going on their own.

THE TRIANGLE APARTMENT ASSOCIATION is a non-profit trade association representing apartment communities, management companies, owners, investors, and vendors of the residential property management industry. The association represents over 1,160 members and 149,330 apartment homes.

TAA is supporting Resident Relief Foundation by matching donations made to its fundraiser, up to \$15,000.

*RRF is a 501(c)(3) and the donations made are tax-deductible.
100% of donations go directly to help residents pay their rent*
