"Leadership that Rocks"

Top Leadership Initiatives that will Immediately Deliver Sustainable Results

Keynote speaker, podcaster and bestselling author, Jim Knight will act as a thought-starter for the session. He will use the visceral backdrop of Rock 'n Roll to discuss key strategies to implementing initiatives for leading others to produce desired results. Key Unique Concepts will include: Enhancing Employee Engagement, Producing Virtuous vs. Vicious Cycles, Amping Up Communication, Creating an Army of Giants, Becoming Heart-Centered, Utilizing Emotional Bank Accounts, and Philanthropy as Instrumental. Moving at blazing speed, the time allotted is chock-a-block full of visual PowerPoint slides, out-of-the-box thinking, videos, personal stories, industry statistics and an interactive handout for some real "takeaways"...all told through the spirit of Rock 'n' Roll. Even if you are NOT a fan of unpredictability & thinking about things differently when it comes to leading others, come with an open mind and hear what all the buzz is about. Edu-tainment will be served.

Board of Directors Installation

Also, a highlight of the evening will be the installation of Kelli Lea, Regional Manager, Greystar, as the 2020 President, along with the 2020 Officers and Directors.
