

# 2024 CANDIDATE ENDORSEMENTS

GENERAL ELECTION  
NOVEMBER 5, 2024

TAA-PAC is proud to endorse a number of candidates in Raleigh elections this November. These candidates share our Association’s vision on issues ranging from smart growth and housing affordability to workforce and economic development. Please consider giving them your vote on November 5!

Endorsements from the TAA-PAC are based upon the following:

- Recommendations from TAA Staff and Members
- Interviews with potential candidates
- Assessment of the candidate’s positions on issues of importance to the membership of TAA
- Evaluation of the “electability” of the candidate: the strength of the opposition, their need for funds, and examination of voter registration in each legislative district
