Mission Statement
The Bell County Museum exists to engage and educate the community by collecting, preserving, and interpreting the prehistoric and historic heritage of Bell County.

Vision Statement
Our vision for the Bell County Museum is that all people are drawn to a unique and welcoming museum experience where they can learn about and develop an appreciation for those who have gone before, engage with their community of today, and develop a passion to preserve those experiences for future generations.

*"O'er the fields we go,
masks on all the way!"*
