

Traffic Accident Reconstruction

*Volume 2 of The
Traffic Accident
Investigation Manual*

Lynn B. Fricke

NORTHWESTERN
UNIVERSITY TRAFFIC INSTITUTE

PUBLICATION HISTORY

Most of the material in this volume is being published for the first time. The only exceptions are parts of the "Reconstruction" chapter found in the 1975 edition of The Traffic Accident Investigation Manual (Volume 1) and the Traffic Institute publication "Estimating Vehicle Stopping Time and Distance," which also covered certain material used in this book. Otherwise, the topics found in this volume represent new material.
