

2024 TECHNOLOGY SYMPOSIUM AND EXPO
SHERATON NEW ORLEANS HOTEL – NEW ORLEANS, LA
MONDAY – THURSDAY, APRIL 8-11, 2024

TABLE-TOP EXPO: TUESDAY & WEDNESDAY, April 9-10
REGISTRATION NOW OPEN

Sign up today for the Chlorine Institute’s *Table-Top Expo* on Tuesday and Wednesday, April 9-10 during CI’s 2024 Technology Symposium and Expo at the Sheraton New Orleans Hotel in New Orleans, LA. The Technology Symposium is on the same two days, offering an array of technology and safety-related presentations of broad interest to the chlor-alkali industry. CI will also hold the regular Annual Meeting during the week featuring the International, Issue Team and Board meetings.

The Table-Top Expo promotes the mission of the Institute through displays focused on safety, security, and technology advancements in the chlor-alkali industry. Both CI members and non-members are invited to exhibit (CI will promote the Expo to non-member companies several weeks after members are notified). The Expo will be promoted in many ways, including the CI’s website, newsletter, and meeting program, to attract a large and broad audience. The 2024 meeting schedule is formatted to provide increased visibility and networking time between exhibitors and meeting attendees.

Please review the following information carefully. Additional information will be sent upon receipt of forms and payment.

Registration is available online at www.chlorineinstitute.org.
