

TAA 2026 Deals and Data

By participating in the TAA Deals and Data you agree to the following:

- You, or your designated party, is committing to purchase the amount that is entered in the electronic bidding interface or printed forms for each participating manufacturer. Quantities can be increased, but not decreased after each auction.
- An electronic report can be obtained at the end of the event for both retailers and manufacturers showing your commitments.
- Specific sizes, blends, styles, colors, or free goods will be determined by you and the participating manufacturer during the trade show on Wednesday.
- The TAA is not responsible for typographical errors.
