Why We Exist

We are a Human Resources Company that has the ability to provide the benefits that nonprofits and small to medium sized businesses need at rates they can afford.

We function as a PEO without all the cons. There are no extra fees to the organization, no minimum required enrollment, no fees added to premiums and no release of employee rights.

All that is required to join is an annual membership fee to be determined by the sponsoring organization.

What Are We

We are a level-funded large group plan that is available to organizations of any size with no strings attached. We specialize in small to medium sized businesses and nonprofits.

We are financially backed by Lincoln Financial Group, and legally under the umbrella of Southeast Benefits of Ohio.
