SC Nonprofit Summit

WOVEN TOGETHER

SC's NONPROFIT SUMMIT

2026 Focus

The strength of the nonprofit sector isn't found in one singular program or mission. It comes from organizations, funders, volunteers, and community leaders being woven together into the fabric of our communities - each thread making us stronger and more stable.

The 2026 SC Nonprofit Summit will highlight best practices and new strategies that help organizations and their teams position for strength and stability, helping South Carolina's communities be more resilient and vibrant.
