## *Signature Cocktails*

Experience the spirit of British Columbia, sip by sip, with our signature 12-cocktail program. Inspired by the diverse landscapes, rich heritage, and vibrant ingredients of BC, each cocktail offers a journey through the province's unique flavors. From the crisp essence of Okanagan apples and the allure of foraged local herbs to the bold complexity of BC-distilled spirits, our cocktails celebrate the best this beautiful province has to offer. Infused with international techniques, each drink tells a story.

## *Olive-Fed A5 Wagyu*

Richly marbled and exceptionally tender, olive fed wagyu hails from Shodoshima, a small Japanese island in the Kagawa prefecture, where olives have been cultivated since 1908. For decades, the leftover pressings from the island's olive oil production went to waste - until 2006, when a local ranger named Masaki Ishii began feeding his wagyu cattle a sweetly caramelized, dehydrated and roasted version of the mash. This special diet gives olive fed wagyu a unique taste and texture. Yet, it has a remarkably clean, well-balanced flavour with earthy umami notes and a subtle sweetness.
