## UTAH GREEN CONFERENCE

The **2026 Utah Green Conference**, held January 5–7 at the Mountain America Expo Center in Sandy, Utah, brought together green industry professionals for three days of education, networking, and innovation. Hosted by the **Utah Nursery & Landscape Association**, the event featured specialized training tracks, networking opportunities, a major industry trade show, and keynote speaker **John Kennedy** presenting “Becoming Great.”

Highlights included the Women in the Green Industry Luncheon, Spanish-language education sessions, and a bustling trade show showcasing hundreds of exhibitors representing irrigation, landscape supplies, nursery stock, and emerging green technologies.

Celebrating its **64<sup>th</sup> year**, the conference continues to serve as the region’s premier event for advancing skills, discovering new products, and strengthening professional connection in Utah’s green industry.
