US Field Artillery Association

Follow us on social media

Who we are

USFAA serves as the only professional association to serve the Field Artillery branch of the military. Currently there are 52 active chapters and 5900 active members. A chapter is associated with every FA BDE, DIVARTY, and FA Regiment in the US Army, National Guard, and USMC.

USFAA is a non-profit association, governed by a board of retired senior leaders and led by a retired commanding general of FCOE, and installation management command- LTG(R) Dave Halverson. All of these individuals volunteer their time and do not receive any financial compensation for their efforts to advocate for our branch.

Our Staff

USFAA employs three individuals:
Ms. Rachal Smith(Executive Director)
Mrs. Kayla Walker (Deputy Director)
Mrs. Staci Seguin (Sales Manager)

They are all based out of Fort Sill, OK. Please view them as an extension of your chapter's staff. Their intent is to provide first class service to our members and to create opportunities to advocate for our branch.

PROFESSIONAL DEVELOPMENT

FA JOURNAL

Published quarterly, this professional journal backed by the Chief of the Field Artillery and the Marine Detachment Commanding Officer, is intended to stimulate discussion and discourse among members to improve the branch. This publication dates back to 1911, and historical editions are available to all members online.

SOCIAL MEDIA

Through facebook, Instagram, LinkedIn, and Twitter, we are connecting field artillerymen across the force. We maintain a disciplined approach to publish and introduce content on topics of interest to the branch.

KING OF BATTLE PODCAST

An extension of the journal, we sit down and talk topics to help improve the branch with top leaders such as SMA Grinston, BG(P) Steve Smith, MarDet CO Chris Tavuchis, and many others. The podcast is available on iTunes and Spotify.

CHAPTER GRANT CHECKS

Annual chapter grant checks (and bonus checks) are given to our active chapters to help support chapter events such as St. Barbaras Balls, or LPD's. Grant checks are calculated by chapter membership, bonus checks are on a requested case by case basis.

AWARDS

Recognizing excellence in the branch, we present graduation gifts to the distinguished honor graduates of FACCC, BOLC, MAOBC, WOAC, WOB, Master Gunner Course, ALC, and SLC. We also present the order of the red quill to authors that contribute to the FA Journal. USFAA also processes all Honorable and Ancient Orders of Saint Barbara, along with the Artillery Order of Molly Pitcher recognizing distinguished artillerymen and their spouses for contributions to the branch.

SCHOLARSHIPS

Each year over \$10,000 is awarded in scholarships to our members, or their immediate family members. Funds can be used towards any undergraduate or graduate program.

ANNUAL TATTOO

our annual tattoo is conducted in conjunction with our membership meeting and the FIRES conference. We recognize Artillerymen with a lifetime of contributions to the branch.
