

URBAN WATER INSTITUTE NEWSLETTER

Term: Winter | Issue 20 | Date: December 1, 2021

Happy Holidays From The Urban Water Institute

The Urban Water Institute wishes all our members, water utilities, sponsors and supporters a joyful holiday season!

We enjoyed seeing many of you in Costa Mesa in September listening to experts and practitioners leading the water policy dialogue in the west.

As soon as the September conference ended we began planning the February 2022 conference, which is returning to the Hilton Palm Springs as an in-person event.

This conference promises to provide critical updates on water supplies, evolving public policies and provocative discussions among Western US water leaders.

Our theme of 'The Art and Science of Water' blends the technical aspects and people components driving California and Western water challenges, policies and successes.

February 16-18, 2022: Spring Water Conference

The Urban Water Institute cordially invites you to their Spring Water Conference on February 16-18, 2022 at The Hilton Palm Springs.

The conference will be hosted by sponsoring water agencies, providing keen insight on our conference theme "The Art & Science Of Water."

More information about this conference is available at www.UrbanWater.com.
