Introduction Welcome

Dear Future Leader,

As we begin embarking on another year of our signature program, I would like to congratulate the class of 2024. You have had a phenomenal year and have demonstrated what it takes to earn the title of "Best Class Ever."

Participants in our signature 9 month program will be challenged to become better leaders and members of our amazing county. They will visit places and meet with individuals that will show what makes our community so unique and inspiring. From local entrepreneurs trying to make their business dreams a reality, to government officials who keep our county running, to non profit leaders working to improve the lives of our friends and neighbors. Our program continues to evolve to be sure we are giving our participants the tools and abilities they need to be a leader for today and the future to come. We are committed to doing so in an environment that is engaging and safe for all.

As President of Leadership Loudoun and a member of The Class of 2019, I can attest of the transformative experience of the Leadership Loudoun Signature Program. We encourage all participants to be engaged and absorb as much of what the program has to offer as possible. The more you put in, the more you will get out.

We hope that you join us in creating a spectacular "vision" for a successful Loudoun County,

Best of Luck!

About Us

LEADERSHIP LOUDOUN

In 1990 the Board of Directors of Loudoun Volunteer Services, under the direction of Barbara Dutton, then located in the Department of Extension Services, developed a leadership training program after recognizing the need for a network of current and potential community leaders. They enlisted the cooperation of the Loudoun Chamber of Commerce, Loudoun County Government, and the Virginia Tech Institute for Community Leadership in the formation of a Leadership Loudoun Steering Committee. The Leadership Loudoun Steering Committee, composed of 18 community representatives, adopted by-laws and formed a Board of Directors. The first class started in 1991 with 35 participants. Today, Leadership Loudoun is a non-profit 501(c)(3) organization. Criteria for nominees entering the program include: management and professional experience; history of community involvement in Loudoun County or their last geographic location; and the potential for long-term commitment to the Loudoun region. A broad mix of current and emerging leaders from both the public and private sectors take part in Leadership Loudoun. Leadership Loudoun is one of many cities and localities throughout the nation that conduct leadership programs.
