Virginia Traffic Safety Specialists

Thank You For All You Do...

- Crashes aren't "accident's"
 - They are predictable
 - They are preventable
 - Visibility
 - Proactive Enforcement
 - Crash Investigations
 - Data
- **YOU** are the backbone of proactive law enforcement.
- "Zero" Can't Be Quantified, because it DIDN'T happen
- **YOU** are the **ONLY** hope we have of reaching **ZERO**

2026 VACP

Law Enforcement Roadway Safety Champion Awards

Drug Recognition Expert (DRE) of the Year

Presented to an individual member of the DRE program who has demonstrated a commitment to enforcement, education, and community engagement to help decrease the incidents of impaired driving. May include a DRE Instructor who has demonstrated superior knowledge, teaching ability, and dedication to advancing the field of impaired driving enforcement.

Drug Recognition Expert (DRE) of the Year

RECIPIENT

Corporal Creighton Byron

Chesterfield County Police Department

Occupant Protection Champion Award

Presented to an individual, team, or agency who understands that many people killed in crashes are unrestrained. The individual or team has shown an outstanding commitment to education, awareness, and enforcement of child passenger safety and safety belt laws. May include CPS Techs and Instructors who have shown an outstanding commitment to training and community education.

Occupant Protection Champion Award

RECIPIENT

Roanoke Police Department

Occupant Protection Champion Award

RECIPIENTS

Officer Brittany Pike

Officer Stephen Coaker

Henrico County Police Division

Crash Investigation Champion Award

Presented to an individual or team who understands investigating and reconstructing crash scenes is vital to ensuring just resolution in criminal cases. This awardee has shown an exemplary commitment to investigating fatality and severe injury crashes, instruction, community education, and collaboration with other roadway safety stakeholders.

Crash Investigation Champion Award
