

**Virginia Transportation Construction Alliance
AGGREGATE/INDUSTRIAL MINERAL PRODUCER MEMBER**

The fees of Aggregate/Industrial Mineral Producer members for each calendar year are based upon the tonnage of all non-fuel minerals produced or marketed within the Commonwealth of Virginia during the period of **October of the previous year through September of the current year**. VTCA will calculate your fees based on the Aggregate Producer Fee Schedule shown below. *Dues & fees will be capped at \$35,000.*

Each producer member company must report in a like manner the tonnage of all non-fuel minerals (aggregates and industrial minerals) produced or marketed within the Commonwealth of Virginia. Your report should include:

1. All non-fuel minerals products sold to customers within the Commonwealth of Virginia;
2. All non-fuel minerals produced by aggregate producer members including minerals utilized in their own production plants (i.e. asphalt, concrete, block, brick, etc.);
3. The consolidated tonnage of all companies and/or plants in which the aggregate producer member company has at least a 50% interest must be reported on one form.
