The 2025 Aggregate Producer Safety & Operations Seminar will also provide a great opportunity to network with MSHA officials, Virginia Department of Energy representatives, and industry safety peers to share the latest in mine safety and operations.

Additionally, the 2025 Aggregate Producer Safety & Operations Seminar can provide partial Annual Refresher training (if it is part of your training plan) and PDH credits.

Who Should Attend
Anyone involved with the safety and welfare of those working for or with them should attend these sessions. This includes senior safety managers, front-line supervisors, hourly workers and independent contractors. All levels of company management are encouraged to attend the seminars to learn insights that will make certain facility operations safer.

Another addition to the **Aggregate Producer Safety & Operations Seminar** will be a trade show. This is an opportunity for Aggregate focused vendors to host a tabletop display showcasing their products and services.
