Excel Ticket Export

The screenshot shows the Connex software interface. The left sidebar contains navigation options: Workspace, Orders, BUYER (Accept Materials), REPORTING (Reports), ANALYSIS (Insights), ADMINISTRATION (DExA), Company, and Master Data. The main content area is titled 'ACCEPT MATERIALS' and shows search criteria for 75 tickets found. The search filters include Start Date (3/17/2021 12:00 AM), End Date (3/17/2021 11:59 PM), and Ticket Number. Below the filters is a table of tickets with columns: CREATED, TICKET, CUSTOMER STATUS, VEHICLE, PROJECT, SUPPLIER, CARRIER, JOB AREA, DISPATCH ORDER, DISCIPLINE, PRODUCT, QUANTITY, and INVOICE NUMBER. The 'Actions' dropdown menu is open, showing options: Add a Ticket, Bulk Edit, Bulk Export, Bulk Export PDF, and Bulk Import. A red box highlights the 'Bulk Export' option. A red vertical label 'Self Help' is visible on the right side of the interface.
