***SCHEDULING EXTRA DUMPSTER COLLECTIONS:

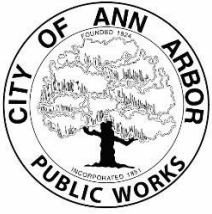

City serviced trash dumpsters: apartment complexes in the central campus area that have dumpster service provided by the city may make an extra request to have the dumpster emptied, at no additional cost, for **May 2, 3, 6, and 9**. **Requests must be made in advance by calling Customer Service (734.994.7336) at least 2 days prior to the day of requested service.** Additional extra collections of trash dumpsters on dates outside of those listed are available for a fee of \$88 per collection and may be requested via Customer Service.

REMINDERS: All trash and recycling must fit inside the cart or dumpster it's in, with the lid closed. Material sitting on top of, alongside or in front of containers will not be picked up. Dumpsters cannot be emptied if they are blocked by vehicles. Please ensure all containers can be accessed by the collection truck. Blocked dumpsters will be serviced on the site's next scheduled day. If the dumpster owner requests the city to return to empty the dumpster, the scheduled service rate of \$88 will be assessed.
