Our nonprofit 501(c)(3) organization is dedicated to

WAI provides year-round resources and a lifetime of programs to assist women in aviation and to encourage young women to consider aviation as a career. The Aviation for Girls program is a highly successful WAI program that reaches girls ages 8-18 and provides positive role models and career opportunities to our future aviators. WAI also offers educational outreach programs to educators, aviation industry members, and young people nationally and internationally.

In addition, WAI promotes public understanding of the accomplishments and contributions of women in aviation through our WAI International Pioneer Hall of Fame and #HonorTheWASP programs.
