VISIBILITY

Your company name and logo will be included in the WAI Corporate member section of the website. Engage in extensive networking and community outreach opportunities with WAI members at air shows, conferences, industry gatherings, and school events.

Join the more than 400 companies dedicated to a diverse aviation community.

Women in Aviation International (WAI) is a non-profit organization dedicated to the encouragement and advancement of women in all aviation career fields and interests. Our diverse membership includes astronauts, pilots, maintenance technicians, air traffic controllers, business owners, educators, journalists, flight attendants, high school and university students, air show performers, airport managers, and many others.

We are dedicated to

- investing in our current and future workforce
- developing an inclusive and sustainable aviation and aerospace industry
- inspiring girls to pursue careers in aviation and aerospace.

WAI provides year-round resources to assist women in aviation and to encourage young women to consider aviation as a career. Girls in Aviation Day is a highly successful WAI program that reaches girls ages 8-18 and provides positive role models and career opportunities to our future aviators. WAI also offers educational outreach programs to educators, aviation industry members, and young people nationally and internationally.

In addition, WAI promotes public understanding of the accomplishments and contributions of women in aviation through our WAI International Pioneer Hall of Fame and #HonorTheWASP programs.
