## September 2024 Countdown to Girls in Aviation Day 2024 Events!

Be a part of WAI's 10<sup>th</sup> Annual International Girls in Aviation Day on September 21, 2024, and help spark that interest in aviation for girls around the world.

Already 180 events are planned at airports, FBOs, museums, and hangars across 41 U.S. states, 2 U.S. territories, and 33 countries throughout North America, Europe, Africa, and Asia. Nearly 30,000 attendees will be introduced to the career and lifestyle possibilities in aviation and aerospace through meeting female role models, career panels, exploring airplanes and airports, and a host of hands-on fun and educational activities ranging from sectional chart scavenger hunts, to making a tailwheel

airplane, to learning about aircraft engines and avionics with maintenance technicians.
